## L'arte di navigare...

Ryders è emozionale poiché il suo obiettivo primario è di comunicare con il cuore dei clienti suscitando emozioni uniche ed irripetibili. La manifestazione dei nostri gommoni non può prescindere dalle emozioni, il bisogno dell'uomo contemporaneo di riscoprirsi e riscoprire il mondo si realizza attraverso i sensi. Ogni nostro gommone Ryders racconta una storia densa di significati ed emozioni in grado di trasformare le esperienze vissute in acqua nel ricercare il proprio benessere e vivere al meglio la propria voglia di libertà e divertimento.

*The art of navigation...*

*Ryders is emotional. Its aim is to talk directly to its customers' heart, triggering unique and intensive emotions.*

*Ryders' rigid-inflatable boat is the answer to the contemporary man's need for discovering the world and rediscovering himself. Our boats create a new way of experiencing the water in a quest for freedom and fun.*

*Die Kunst der Navigation...*

*RYDERS ist emotional. Ziel ist es, direkt mit dem Herzen seiner Kunden zu sprechen und einzigartige und intensive Emotionen auszulösen. Das Festrumpf-Schlauchboot RYDERS ist die Antwort auf das Bedürfnis des Menschen, die Welt und sich selbst zu entdecken. Unsere Boote schaffen eine neue Art, das Wasser auf der Suche nach Freiheit und Spaß zu erleben.*
